FEATURED PROJECTS

Jump game

http://celesteellerby.com/jump/

A simple HTML/CSS jumping game made purely with jQuery.

Find that GIF!

https://thefl00f.github.io/gif-search/

A React app that allows the user to find and share the trending gifs and use queries.

Multi-page psd conversion

http://celesteellerby.com/sophie-blog

A PSD conversion demonstrating original mobile design.

EXPERIENCE

Yowza Animation, Toronto — *Freelance Storyboard Artist*

MAY 2019

● Was responsible for bringing scripts featuring musical numbers written for kindergarten-age to life in storyboard panels! Client was Loyola University.

Gallus Entertainment, Sudbury — *Intern 3D Layout Artist*

JUNE 2017 – AUGUST 2017

● Internship at a studio close to secondary school between year 2 and year 3! Learned about the animation pipeline and how to work together as a team to keep on track for deadlines.

EDUCATION

Juno College, Toronto — *Web Development Immersive*

JANUARY 2020 – MARCH 2020

Juno College, Toronto — *Web Development and Javascript*

AUGUST 2019– DECEMBER 2019

Cambrian College, Sudbury — *Advanced Diploma of Animation*

SEPTEMBER 2015 – MAY 2018
